Total Value: \$188 | Your Price: \$147 | You Save: \$41

Each product is included as a separate PDF in your download. This overview document serves as your guide to the bundle contents.

Quick Start Guide

1. Start with the AI BS Detector Toolkit - audit your current tools
2. Read The Real AI Playbook - build your AI strategy
3. Install 0nMCP and run the Workflow Starter Pack - automate immediately
4. Apply the SXO Blueprint to your website - turn traffic into revenue

This sequence gives you the fastest path from "AI curious" to "AI-powered business." Each product builds on the previous one.
